**1. DETAILED ACTION**

***Claim Rejections - 35 USC § 112***

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claim 1 recites the limitation "ORB (object request broker)" object in (claim 1, col. 1, lines 7 & 8). Examiner is not sure which object request broker the applicant is referring back to "non-CORBA object request broker" or "ORB (object request broker in the preamble)". Also Examiner wants the applicant to be consistent of using "ORB (object request broker)" in the preamble with the "non-Corba object request broker" in the body of the claim 1. There is insufficient antecedent basis for this limitation in the claim.

Examiner will issue a whole office action after applicant amends the claim to overcome the 112 rejections.
